

## Position: Inclusive Education Technical Advisor

DSI is currently seeking an Inclusive Education Technical Advisor who is experienced in the Cambodian disability sector and has expertise in supporting teachers' growth and development, to assist with the implementation of DSI's Training of Trainers curriculum and help continue to build local disability leaders and teachers' professional capacity and promote inclusive education.

### About DSI

Disability Support International (DSI) is an international development organization whose vision is to see a world where every person with a disability is empowered to contribute to their society and can live a full life by receiving adequate care and support from their local communities. DSI's mission is to advocate, support & empower to improve the lives of people with disabilities in developing countries so they can live life to the fullest.

DSI has been cultivating ongoing partnerships and supporting disability development programming in Cambodia since the organization's start in 2016. DSI is now working to grow their in-country disability Training of Trainers curriculum to equip a new generation of disability professionals in Cambodia with the skills and tools to train educators across the country on critical disability topics and promote greater inclusion in education and society.

### Position Information

<b>Position:</b>	Inclusive Education Technical Advisor	<b>Start date:</b>	November 1, 2023
<b>Duration:</b>	6 months, 12 working days per month. Position may be renewable thereafter.	<b>Salary:</b>	Based on expertise and experience.
<b>Location:</b>	Remote position. Based in Cambodia with occasional travel to Phnom Penh and other provinces.		
<b>Reports to:</b>	DSI's Cambodian Program Coordinator		
<b>Purpose:</b>	This position will serve as DSI's educational coach to assist local teachers, school leaders, and others working with children with disabilities to support the objectives of DSI's disability Training of Trainers curriculum.		

## **Duties**

- Provide advisement and mentoring on core teaching practices and behavior intervention strategies to Cambodian disability and education-sector professionals
- Observe, monitor, and assist with tracking DSI trainees knowledge, skills and abilities, related to areas of growth and ongoing needs
- Lead individual and small group check-ins with trainees and stakeholders
- Contribute to DSI's continued strategic program development and work plans

## **Qualifications**
